 - c. Executive assistant Sam:
 - i. For this meeting I focused on explaining our recognition and how it works. For now we are just going to focus on "you rules". You rules are when someone fills out a sheet that I pass around during the meetings and tell someone they rule for something they did, for example you rule because you helped me prepare for a math test. The person you are sending that to then get a certificate with the message as well as a decorated ruler! It is really fun and I hope everyone tries it!
 - ii. I am also working on a philanthropy project right now with the Vice President Rob. I will have more details at next weeks meeting.
 - d. NCC Becky:
 - i. First delegation meeting last week Thursday, super excited about what to expect for the overall conference. The overall theme is iBelief, our theme isn't really picked yet but it has something to do with "budding" into leadership and "leafing" fears behind. Next meeting is Tomorrow, Thursday October 4th.
 - ii. She has been working very hard on transportation for next two conferences, BLT and GLACURH (dates are in binders). Unfortunately she has to switch her advisor for the BLT conference but now they are just getting the new advisor registered.
 - iii. Super excited for Homecoming, super involved in other group homecoming activities, she is a part of Optimist club.
 - e. Programmers Jeni/Emily:
 - i. Prepare programs for everyone. Internship program is on October 22nd from 6pm-7:30pm in Starin Hall. This will be a program that helps students to prepare for internships and how to get them. There will be two very good speakers there to help students prepare for future internships, and answer any questions.
