c. Team Building Communication Course Funds Request

- i. A team building communication class, this is a group of seven that have to do an end of the year project. They are raising money to send veterans to see their war memorials. I will attach the powerpoint for information. November 30th is their deadline; they want to raise as much money as possible by that time. They are asking for a donation from RHA, they are asking for \$600.00, they raised \$250.00 in an hour in the public, now they are looking to get more help from those on campus.

1. Its roughly \$2,000.00 to send one veteran, their main focus is World War II. They will be selling wristbands all week.
2. So far they have raised around \$300.00, they are hoping to get at least \$2,200 to hopefully send at least one person. They are asking for donations all throughout campus.
3. We do not get to pick the actual person to go; the people that have signed up for the program are picked to go.

- ii. Make sure to take this back to your LIT and have a good conversation so that next week we can have a good discussion here.

d. ARA Assembly Seat Support

- i. Brian Froemming was here to talk about ARA, he is the president. They are here to seek out the support for them to get a seat on the assembly. They have as many concerns as any other resident living on campus even though they are RA's. They would like to be represented on the assembly by getting one seat. Mike Mifflin was the one that wrote the proposal that is being presented to the assembly. They have representation from every hall that attends their ARA meetings right now; they would like to be able to have ONE seat on RHA which means they would get ONE vote.
- ii. I will send their proposal in the minutes. Take this back to your LIT meetings so that we can have a great discussion next week. There are multiple steps in this process.
