Also, huge thanks to everyone who came out to Culver's this Monday, I had a lot of fun volunteering! Another fundraising opportunity, this weekend: working food stands for the band competition this weekend. This Saturday 10-10, various shifts, talk to Anna if interested.

Vice President: On Monday I helped with the Culver's fundraiser and it was a great time getting to see some familiar faces. We have finalized the SUFAC form and are getting ready to submit it. Care packages for the Halloween shipment should be arriving early next week and if there is anyone that would like to help sort please come and talk to me after the meeting.

Executive Assistant: This past week I have been working on name cards. Please see me after the meeting if you need one or if your name is spelled wrong. If you guys have any ideas for ice breaker or beginning activities please email us them! Also, I hope you are finding ways to recognize each other and write some snaps as I would love to share them during final thoughts.

NCC: This weekend I attended BLT which is business conference for WURHA. The applications for GLACURH closed on Friday so Tim and I went over the applications and emails should be out tonight around 9:30 PMish. We also got the ball rolling on some GLACURH Philanthropy ideas.
