Claire: We are still working on it, we have ideas but waiting until next meeting to present and pass those.

Dave: Did they have to reach the \$50? A: No, they should be going

John: If we did the \$900, we would only have roughly \$200 left for the rest of the semester. I remember it not being a timely matter.

- International Dinner - Friday, March 3rd, request \$750. 320 individuals went last year, menu is ready. We are getting others to donate as well.

Tim: Location? A: Hamilton Room. Should be a great menu!

Anna: Point of clarification: This donation would come from the ResLife budget, programs line.

John: Where does that money go? A: The green sheet explains different options we can use that money. We could use that money or buy tickets.

Brian: I was thinking \$1,000, we could up it due to the fact of the strong impact this dinner has on the Whitewater community?

Dave: I am in favor of \$1,000. Should we table and wait for update

Rachel: Increasing by \$100 would make more sense.

Marcus: In favor of 1,000
