**Arey/Fricker:** Our last program, Food, Boos, and Scary Things Too! Took place last Thursday at 7 pm. We had a good turn out with about 30 people and enjoyed caramel apples, punch, and decorating door decs. We did pass out the suckers at our last program and they are at the front desk as well. We had our program during our meeting time last week, but we will be planning for our November program and our Jitters takeover.

**Cambridge/Fox Meadows:** Our last program was October 30<sup>th</sup> at 5 pm. 15+ people attended, and it was lots of fun! We had our program in place of our last meeting, but we are planning when we will pass out the suckers at our next meeting.

**Wells:** Our last program was the pumpkin painting, which took place October 26<sup>th</sup>. It went really well! Used all of the pumpkins, and had a good turn out. At our last meeting, we approved the drive boxes for clothes and food, and we plan on doing the suckers next week. Discussed the budget, and the Wells' trick-or-treating event (went well, small turn out).

**Clem/Benson:** Our last program was the Halloween Bash on Halloween. 54 people attended, but next time we want to have more food and activities to do. We discussed an upcoming program with the ECO Reps, and our Jitters take over which will be December 4<sup>th</sup>.

**Knilians/Wellers:** We attended/held an RA panel. Our Jitters take-over/murder mystery has been changed from the 9<sup>th</sup> → 13<sup>th</sup>.

**Lee/Bigelow:** At our last meeting, we discussed our Jitters take-over (November 17<sup>th</sup>) and a thank you card for Doug. We will be handing out the suckers in the LIT room.

**Starin:** Our Halloween craft night went great! Had about 30ish people in attendance. Next time we would have more pumpkins available for painting. Our upcoming program will be Starin Cribs.

**Tutt/Fischer:** No representatives present.

### **Guest Speakers (7:10PM)**

#### **Frank Bartlett Rougui:**

International dinner will take place March 9<sup>th</sup> (doors open at 5, event begins at 6. Great food and great entertainment). There will be various acts, and EMCEE, and a parade of all international students including a sharing of culture! Without

donations, the meal would cost \$20 a plate, which is a lot of money for a college student! Based on donations, this could decrease the price greatly. Usually, the price lowers to \$5 for students, \$12 for general admission. We are asking for donations from you! We would accept any contribution. Acts, an EMCEE, and a parade of all int'l students

New Res hall. \$34 million-dollar budget. Hope to open this in the fall of 2019, and we are looking beginning construction next March or April. This will effect parking....losing 85 parking spots. New campus transportation committee that deals with parking.

#### **V. Executive Reports: (7:23PM)**

**Joe, President:** I helped with Wells' Trick-or-Treating event on Sunday. Helping to further progress on the blood drive. LIT rotations.

**Rachel, Vice President:** This week I updated the budget and helped others around the office.

**Emily, Executive Assistant:** This week I have been in contact with Jess from the American Red Cross in regards to promotional items for the blood drive coming up in late January, early February. I have been helping Aleicia with the assembly booklets, sending emails to prospective RHA members, and have been starting to compile attendance for Ras and general assembly for records and spirit points. My end goal is to have this up and running by Friday (Monday at the latest), posted on OrgSync. Thank you all for volunteering at Wells' trick-or-treating event! As always...

**Erin, NCC:** GLACURH

**Scott and David, Co Programmers:** We have been diligently working on further establishing the events for the rest of the semester. We are currently sorting out the details for Whitewater's Got Talent and are even discussing rescheduling it to second semester. If this change takes hold we will have three programs to close out the semester. We will have a Jitter's Open Mic Night on either November 21<sup>st</sup> or 22<sup>nd</sup>, and RHA sponsored Movie Night in the UC on December 7<sup>th</sup> or 8<sup>th</sup>, and a study night on December 13<sup>th</sup>. We will provide more details regarding events as they are further developed.

**Aleicia, Marketing Coordinator:** I've been working on GLACURH pins and the assembly book. I am also in the process of getting display cases updated.
