- a. **Joe, President:** I finalized our room (UC 259) for next semester's assembly meetings, talked with Jess (Red Cross) about our sponsored blood drive coming up in February. Eco Reps...
- b. **Rachel, Vice President:** With the help of the eBoard, I got all of the care packages sorted and delivered. Along with that, I had a meeting with Terry on Monday to discuss monetary matters/NACURH funding, RHA retention, and the new res hall that is being built. I'm also in the process of putting together a proposal for the assembly to move money from Lil' Sibs to the discretionary fund, which you will need to vote on.
- c. **Emily, Executive Assistant:** I visited Cambridge/Fox Meadows LIT on Monday with Aleicia, and we discussed RHA and even participated in their super creative program, Paint – N – Sip. Great job, ladies! I created a new way to track attendance for RAs, and so far, it is working wonders. It is much easier to read, and find what you are looking for. As far as recognition/spirit points go, I am still brainstorming ways in which I want to track this, and recognize you all. Nothing will be finalized this semester, but spring semester is definite. I've been updating the snap wall, making copies, organizing, the usual office duties. On Monday, the eBoard met with Red Cross rep, Jess, and our sponsored blood drive is in the works! I'm going to prepare more information for you all, probably next week. If you need anything, to check in, a name tag, see me after the meeting.
- d. **Erin, NCC:** This week I've been going through GLACURH stuff, and just finishing up stuff on that, like cleaning stuff up, organizing the office, just general housekeeping stuff. WURHA Applications are out and they close this Friday. Another email was sent out yesterday about that, and if you want to apply and don't know where to go, how to do it, didn't see the email, etc., please come talk to me after the meeting!
- e. **Scott and David, Co Programmers:** This week we have been finalizing the details for Whitewater's Got Talent along with the Movie night in Somers Auditorium. Also, we have been planning for Lil' Sibs and are hoping to finalize a date and room location by the end of the semester.
- f. **Aleicia, Marketing Coordinator:** I finished the assembly books and started working on the display cases. As always, follow our social media accounts to be up to date on all of our latest programs and

announcements! We are on Facebook, Twitter, and Instagram. I also printed and sent out Whitewater's Got Talent posters.
