V. Executive Reports: (7:25PM)

Joe, President: I attended to important emails, brainstormed ways we can advertise, and composing agendas for the Assembly and Executive Board meetings.

Max, Vice President: This week I've been working on updating the budget and making sure all our ducks are in a row for UWWWBWB.

Emily, Executive Assistant: Hi everyone! This week I have been adding to my email lists, updating LIT information and OrgSync, creating extra name placards (reminder to fill one out, permanent ones to be coming soon!), and bringing back the snap jar (explanation for anyone unfamiliar). I also have meet with my advisor, Janet, to discuss goals and philanthropy ideas. I am tentatively thinking of planning a recognition program involving the LITs. If you did not see me before the meeting to swipe your card, please come see me after!

Erin, NCC: Hey guys. This week I've mostly been looking at GLACURH applications. I also started looking at stuff for WURHA and FBC, and sent out another email about GLACURH so you all should look at that and apply to

GLACURH. I also have been looking at bids for GLACURH and attended a Polar Bear Chat last week.

Scott and David: Co Programmers: THIS Thursday is the Watermelon Bash, go have fun. Still working on LIT/RHA promotional sucker event idea. Looking for a LIT to work with on the Halloween event. Put buttons in the poll to figure out if RHA wants to do a hockey game or a Brewer's Game!

Alecia, Marketing Coordinator: This week I did more website updates, printed out this week's poll, and updated social media with LIT Training pictures.

VI. **Advisor Reports (7:30PM)**

- a. **Janet:** About me! My hope for the group is that we gain a lot from this experience; leadership, relationships, and connections. I met with Emily and we discussed philanthropy ideas. Feel free to approach us with any ideas! I highly recommend attending Boxes and Walls, which will be coming up in a couple of weeks. We cannot succeed without student help, and are always accepting volunteers! Please consider volunteering your time to participate in this event. Volunteers will get a Jitter's coupon.
- b. **Nick:** Come to the watermelon bash tomorrow! Please consider volunteering for Boxes and Walls. It is a great opportunity. See me after the meeting.
- c. **Dan:** THANK YOU for attending LIT training! It was a huge success. Look forward to lots of great upcoming programs.
- d. **Christina:** THANK YOU for attending LIT training and assembly this week! I also have a sign-up sheet for Boxes and Walls. Most importantly, the campaign, It's on Us, will be returning to campus. 2,000 shirts will be available for sale. Full week of events: self-defense course, bingo, movie documentary, and a vigil on that Friday. Great opportunity/event to be a part of, please consider attending.
