VI. New Business (7:20 PM)

a. Elections for Co Pro from the table to the floor.

i. **Rachel Hegreberg:** I have a cat, love RHA, I've been to three conferences, I'm an education major with a minor in ESL, and I'm completely and utterly obsessed with The Office. I have a low amount of time commitments: I'm taking 15 credits and I'm going to be a front desk worker. If I don't get the position, I will sit with my LIT for Starin. I have lots of programming experience, I've been to many conferences, and I'm passionate about ResLife. Some strengths: I am always coming up with new ideas, open to communicating with new people. Some weaknesses: overly sensitive, public speaking skills a bit lacking.

1. Why do you want to switch positions?

a. Co Pro is hands-on, while Vice President is more behind the scenes.

2. I like your honesty. Mentioned weaknesses, how are you going to work on those?

a. Get organized, and use planners!

3. How do you work with others?

a. Finding common ground.

4. Programming ideas?

a. Disability awareness, recognizing the disabilities present on campus.

5. How will conferences help you in the position?

a. Conferences have lots of programs we can attend. I would take their feedback and apply it here.

6. How do you plan on dealing with stress?

a. I have a stress management playlist and I walk around Wells.

7. Managing your time?

a. Planners and apps.

8. You said you've facilitated smaller programs. How do you plan on facilitating bigger programs?

a. Planning out and delegating tasks.

9. It's good when you have a co that equals you out! We each have different tasks that we complete, and that

includes getting in touch with people. What is your means of contacting people?

a. Depends on the situation.

10. You've seen a lot of programs we've put on. What do you think we could improve on?

a. UW W Welcome Back Watermelon Bash

11. What do you want out of this position, any challenges that you see?

a. Working with someone different, someone that I can bounce ideas off of.

ii. Discussion to voting.

iii. ****Congrats Rachel**** 😊

b. Voting for Marketing Coordinator table to floor.

i. **Nicholas Bachtell:** Graduating in December of 2019, HR Major, interested in Entrepreneurship, busy schedule (18 credits) but I enjoy having work to do. Making posters (RHA poster out every week), website experience.

ii. Discussion ended, moved into voting.

iii. ****Congrats Nick**** 😊

VII. Executive Reports: (7:59 pm)

a. **Joe Quinn, President:** I've been answering emails about ROE, Power Point presentations, figuring out various things. Lots of dates, but the co pros will go over.

b. **Rachel Hegreberg, VP:** This week has been a lot of busy work. I finished the thank you cards and the rough draft of my transition binder, and worked on my presentation for elections.

c. **Emily Martinsen, EA:** This week, I have been working on my transition binder, thank you cards, and I had my 1:1 meeting with Janet. I'm also figuring out my office hours for finals week.

d. **Erin Kaplan, NCC:** This week I have been working on Regional Philanthropy. That's next Tuesday! Come help us make bags for the Ronald McDonald House in Madison. NACURH meetings are starting this week. And that's all I have.

e. **Ethan Meudt, Elect:** I need to discuss with Erin on Wednesday for how we want to discuss our first meeting with our NACURH delegates this Thursday. Also, I talked with Erin and Louis about their upcoming programs next week to assist in any way that I can.

- f. **Scott and Maddy, Co Pros:** This week, we've been working with Louis for the Step One Program! May 1st (5-6p in Starin). Lots of cool programs going on this day and maybe even a hike afterwards. We've also been working with Dan on the Reception of Excellence. Willie's Birthday is on May 3rd, ResLife picnic is scheduled for May 11th. UWW Tv dance contest, video due April 27th. We are trying to break the record of high fives given by a mascot!
 - g. **Aleicia Gannon, Marketing:** This week I have been working on getting food for our meeting on May 9th! There will be different appetizers, fruits, vegetables, and an ice cream party at the end (hopefully). I've started the ResLife poster and did some stuff with the Advertisement Committee.
