5. Executive Reports (7:10)
 - a. Lisa
 - i. This week I made the weekly agendas, went to WSG, and made some placards for all the RHA reps in all the LITs. If you have not gotten the one for your lit yet, then do not worry I am sure it is on its way! I have also been working on my transition binder because I unfortunately did not get to finish it last semester. Other than that, I have been doing a lot of email stuff.
 - b. Ben
 - i. This week I continued to work on our Pal-entine’s Day event with Matt and Abby. We will be releasing the form on today and the first 100 people to submit it

will have a treat waiting for them at Goodhue Hall on Monday February 15th. We had the form close after 17 minutes! I also worked on the minutes from last week's meeting and gave them to Abby to send out to everyone. I also updated the budget, so far this year we have spent about \$1,300 on the ResLife side and about \$230 on the checkbook side of the budget. I will start giving a budget update every week to keep the general assembly informed on RHA purchases.

c. Abby

- i. Hi everyone! My name is Abby Daniels. I am the Publicity and Recognition Director. This week I worked on promoting Pal-entine's day. I sent out this week's reminder email. I had a meeting with Cole and a meeting with Maria. I am partaking in the interviews for our new exec board positions. And I created a form and sent an email to the OTMs committee to get that started. If you are interested in joining the OTMs committee, please send me an email (rhaprd@uww.edu). And as always, if you are not following us on social media, go check us out. We are on Instagram, Facebook, and Twitter @uwwrha.

d. Andrea

- i. This past week I worked on my transition report for the NCC elect. I also met with my advisor for the conference to discuss proceedings, and I also met with a fellow E-board member to collaborate on a future project. Along with this, I have also been preparing for RBC.

6. Advisor Reports (7:16)

a. Maria

- i. Hall highlights: We will be pushing hall highlights back a week. So, if you were originally supposed to present on the 24th (which is Wellers/Knilians) you will now present March 3rd. I will send out the new schedule to everyone. The reason we are doing this is because we will be hosting an abbreviated meeting and at 7:30 RHA will be hosting a Roommate mixer. Some feedback we have received is that students have not really had a chance to meet a lot of people considering our COVID reality, and so we are going to be doing a speed-friending type breakout room event that will help people meet their potential future roommate and best friend! So please let your LITs know, people on your floors, RAs tell your residents, because we have some great questions lined up that will hopefully lead to some great conversation.
- ii. Also, there is a virtual Career Fair. Today Finance, Accounting, Technology, and Arts.
- iii. Tuesday February 23rd is Business, Management, HR, Supply Chain, Marketing and Communication, from 2-6pm
- iv. Finally, on Tuesday March 30th, is Sciences, Human Services, Education, Non-Profit, Government and Summer Employment Fair from 3-7pm.
- v. To register go to tinyurl.com/CLDCareerEvents

b. Cole

- i. UHCS and Wellness: As we approach Valentine's Day, let us show some self-love, self-compassion, and self-care! In addition to offering a variety of physical and mental health needs, UHCS also offers tips and tricks to help fulfill the 8

different areas of wellness. Check it out here:

<https://www.uww.edu/uhcs/wellness-information>. Located on Starin Road in the Ambrose Health Center, UHCS offers a variety of different services!

- ii. Drag Show: The 2021 UWW Drag Show premiere will be March 25th on UWW TV. A google form will be sent to CDs sometime this week or next to sign up for a group-chat that will discuss premiere night ideas! If you do not want to wait, here is the google form NOW: <https://forms.gle/dqMZru53nUs472cZ9>
- iii. Please have windows closed in the Residence Halls, leaving windows open will deplete the heat on the floor. Temperature is controlled on the thermostat in your room. If you are in a hall without a thermostat, please make sure your radiator is turned to the open position.

c. Matt

- i. LIT Development Day is on Sunday, February 21st from 1:30-5:30pm. Lots of fun programs, development, and the opportunity to meet other LIT Members. Your ACD should be talking about this as well and should be getting a rough number of members who want to come. RA's are welcome to attend as well, just let your ACD know. Big shoutout to those presenting programs and sharing knowledge on this call—Maria, myself, Sabina, Abby, Ever, Lexi Shields, and Matt Schweinert
