Thank you to Emily and Katelyn for helping me put the Pal-entines swag kits together on Friday. People got to pick up their RHA swag kits on Monday.
    - I also worked on the minutes from last week's minutes which were sent out on Monday.
    - I also attended Arey-Fricke's Valentines' Day program last week which included mask decorating and meeting members from the hall. I got to make this super cool mask. Thank you for hosting an awesome program, especially with only having two LIT members right now.

- I also processed all the care packages and those have been delivered to their residence halls.

    - Tomorrow night, I'll be having a meeting with the OTM Committee to plan for this semester. February OTMs are due on March 5! However, it is not too early to get started on writing one. The OTM committee has a lot of great ideas on how we plan on recognizing the winners and the writers of the OTMs, and we are now able to send OTM submissions onto regionals, so if there's any time to write an OTM, it is now. Here's the link to more information about it: <http://uwwrha.org/otms/>. If you have any questions about it, you can send me a private chat during tonight's meeting, shoot me an email, or DM us on Instagram. I'd love to help you in any way!
