Why we joined LIT:

We truly *love* being a part of something bigger than ourselves.

We get to:

- Meet new people
- Put on fun events for our neighbors
- Think creatively and innovatively
- Bring different individuals together
- Provide a good time with and for one another

Why we are unique:

- **Our complex is made up of all sophomore and older residents**
 - This almost always means that we have all been through a year in the dorms, so the people that come to LIT have done it in the past and/or know what we stand for and want to do--and like it!
 - So around the same people come to each meeting, too, so we all have gotten to know each other rather well.
 - However, when we do get newcomers, we are always very welcoming and hold icebreakers.

Mug Cakes:

What: Make take-and-bake mug cakes

When: Thursday, February 25th @7PM

Where: Cambridge Lounge

Supplies: **Flour, sugar, baking powder, milk, butter, vanilla extract, etc.** (Julie's recipe)

Why we chose this program:

- Something we haven't seen yet!
- It can easily be done at home (or in your dorm)
- We provided a gluten-free option that one of the residents was very happy about. She told her RA how grateful she was, and even took a picture of the recipe! This brought us a lot of joy. It just goes to show that what might come across as small, can actually reassure what we do really touches people.

Mask Decorating:

What: Decorate personalized masks

When: Thursday, March 11th @7PM

Where: Benson Basement

Supplies: **Surgical masks, paint, jewels, puffy paint, glitter**

Why we chose this program:

- Something new!
- Everyone is experiencing the effects of the pandemic, and a majority of people are balancing a lot due to it. Our LIT decided to take on the pandemic, and try a unique and fun program to spark some excitement during these times.
- It shows another way LIT can bring joy into student's lives.
